Product Description

Product Description:

Used Velite 6

If you're looking for a sleek, efficient, and environmentally conscious vehicle, the 2022 Buick Velite 6 PHEV (Connected Premium) is the perfect choice. This plug-in hybrid model combines electric power with a traditional engine, giving you the best of both worlds—outstanding fuel efficiency and impressive driving range.

Hybrid Powertrain: With the combination of a 1.5L gasoline engine and an electric motor, this PHEV offers both smooth acceleration and excellent fuel economy.

Driving Range: Enjoy up to 780 km on a full charge and tank, with a pure electric range of approximately 60 km, perfect for city commuting.

Smart Connectivity: The Connected Premium version offers advanced infotainment features, including an 8-inch touchscreen with navigation, Apple CarPlay, and Android Auto, ensuring you stay connected on the go.

Safety Technology: Equipped with a full suite of safety features like adaptive cruise control, lane departure warning, and automatic emergency braking to keep you and your passengers secure.

Stylish Design: With its modern, aerodynamic exterior and premium interior materials, the Velite 6 is both functional and elegant, providing a comfortable and high-tech driving experience.

Whether you're commuting daily in the city or planning longer road trips, the Buick Velite 6 PHEV is built to meet your needs. It delivers the comfort and efficiency you expect from Buick, with the added bonus of eco-friendly technology.

This vehicle is perfect for drivers looking for a balance of performance, style, and sustainability.
