Product Description:

Used Qin DM

Looking for a fuel-efficient and eco-friendly plug-in hybrid? This 2017 BYD Qin DM 1.5T Premium Edition offers the best of both worlds: the flexibility of a traditional gasoline engine combined with the environmental benefits of an electric motor. With a sleek design and advanced technology, it's an excellent choice for both daily commutes and long trips.

The Qin DM is powered by a 1.5L turbocharged gasoline engine paired with an electric motor, delivering smooth acceleration and impressive efficiency. It offers hybrid and fully electric driving modes, giving you the option to drive emission-free for shorter distances or rely on the gasoline engine for longer journeys. The car can achieve up to 80 km of pure electric range, perfect for city driving and reducing fuel costs.

Inside, the Premium Edition provides a comfortable and modern cabin with leather seats, a large touchscreen infotainment system, and advanced connectivity options. Keyless entry, a push-button start, and a digital instrument cluster enhance the convenience and driving experience.

In terms of safety, the Qin DM is equipped with ABS, traction control, and multiple airbags, offering peace of mind on every trip. Additionally, BYD's reputation for reliability makes this vehicle a practical and long-lasting investment.

Whether you're looking to reduce your carbon footprint or want a stylish hybrid with low running costs, this 2017 Qin DM Premium Edition is the perfect solution. Contact me today to learn more or to schedule a test drive!
